To

All Superintendents of AB PM-JAY-KASP Empanelled Private Hospitals

Sub: SHA –KASP-PMJAY Scheme – Re-initiation of bio-metric verification of patients at the time of admission and discharge at all private hospital.

Ref. 1.Do: S-12016/03-9/2020-NHA Dated 2/12/2020

Kind attention to the references cited.

The National Health Authority (NHA) has decided to re-initiate bio-metric verification of patients at the time of admission and discharge in private hospital from 15th December 2020 onwards, as an important step towards controlling fraud and abuse.

Over the past few months protocols related to management of COVID have got stabilized, accordingly necessary arrangements have been made by Government to enforce social distancing norm along with sanitization related practices.

Kindly make necessary arrangements for re-initiation of biometric verification of patients in this COVID situation such as following current COVID protocols by Government including use of hand sanitizers as per the existing protocol.

Yours faithfully
